

Keeping your card safe!

- When activating your card or logging into this site, only ever use your **Card Proxy Number**.
- **Only Yamatji Southern Regional Corporation will ask for your card number if you require help activating it and call us direct.** You must not disclose your card number to any website or person except for the purpose of making a purchase. You are liable for any loss or unauthorised transactions on your card where you have disclosed your card number other than for the purpose of making a purchase.
- Don't provide your card number, CVV or expiration date to a website that might look like ours.
- Look for https:// at the start of the url. This means your form is encrypted.
- Always log out when leaving this site.
- Don't post photos of your card anywhere, even if it is partially obscured.
- Don't share your card number where others can hear it (for example over the phone).
- Don't share your number with unverified representatives, for example, if you receive an unsolicited email or phone call from what you believe is a reputable institution. If you didn't initiate the phone call or email, don't give out your details.
- Don't make transactions on open networks. Where there is no password required to access a WiFi network. Unencrypted data can be visible to any computer nearby.
- Always keep your card information safe.

Important: you are responsible for checking your transaction history and should view your transaction history regularly throughout the validity of your card to check for unauthorised transactions.

Please note you have 100 days to report any fraudulent activities on your card to be covered by insurance. Call us direct on 9934
